It is recommended that the filling continues on an ongoing basis as the work progresses.

Good to know

Go handmade's collection is developed and handcrafted by the expert hands of passionate crocheters. All are crocheted to meet what we find is a medium tightness and what suits the animal.

Hook Size & Tension

Crocheters crochet very differently: some crochet with a hook size 2,0 mm and obtain the same size of design and quality as a person who crochets with a hook size 4,0 mm. We owe this knowledge to the team of crocheters who join us. The key to crochet a specific size is a lot about the crochet style/hands/skills, rather than the size of hook. Therefore, we will recommend a range of hook sizes.
