1818

1818 - Blouse in two-colored fisherman's rib in Mayflower Cotton Merino Classic.

Size:	S	(M)	L	(XL)	XXL	(XXXL)
Chest measurement in cm:	95	(100)	103	(109)	112	(115)
Length in cm:	60	(62)	64	(66)	68	(70)
Light blue, color 117, balls:	5	(5)	6	(6)	7	(7)
Charcoal grey, color 104, balls:	4	(4)	5	(5)	6	(6)
Needles:	Needles and circular needles US 6/UK 8 and US 8/UK 6.					
Quality:	Mayflower Cotton Merino Classic. 50 % Super wash Wool, 50 % Cotton, 110 m pr. 50 gram.					
Gauge:	14½ sts in fisherman's rib on needles US 8/UK 6 = 10 cm					

To achieve the best result, we recommend using Knit Pro needles, which is the professional tool for knitting and crochet.

Uni-colored fisherman's rib, knitted in the round (sts amount divisible by 2):

- 1. rnd:** * slip 1 sts purl wise with yo, knit 1, repeat from *.
 - 2. rnd:** * purl the purl sts together with the yo, slip the knit sts purl wise with yo, repeat from *.
 - 3. rnd:** * slip the purl sts purl wise with yo, knit the knit sts together with the yo.
- Repeat 2. and 3. rnd.

Two-colored fisherman's rib, knitted in the round (sts amount divisible by 2), gives light blue front and charcoal grey back:

- 1. rnd:** Light blue, * slip 1 purl wise with yo, knit 1, repeat from *.
 - 2. rnd:** Charcoal grey, * Purl the purl sts together with the yo, slip the knit sts purl wise with yo, repeat from *.
 - 3. rnd:** Light blue, * slip the purl sts purl wise with yo, knit the knit sts together with the yo.
- Repeat 2. and 3. rnd.

Uni-colored fisherman's rib, knitted back and forth (sts amount divisible by 2):

- 1. r:** * slip 1 purl wise with yo, knit 1, repeat from *. Turn.
 - 2. r:** * slip the purl sts purl wise with yo, knit the knit sts together with the yo, repeat from *. Turn.
- Repeat 2nd r.

Two-colored fisherman's rib, knitted back and forth (sts amount divisible by 2):

Must be knitted back and forth on circular needles. You knit alternately 2 right side rows and 2 wrong side rows.

- 1. right side row: Light blue,** * slip the purl sts purl wise with yo, knit the knit sts together with the yo, repeat from *. Do not turn but push the sts back to the beginning of the needles.
 - 2. right side row: Charcoal grey,** * purl the purl sts together with the yo, slip the knit sts purl wise with yo, repeat from *. Turn.
 - 1. wrong side row: Light blue,** * Purl the purl sts together with the yo, slip the knit sts purl wise with yo, repeat from *. Do not turn but push the sts back to the beginning of the needles.
 - 2. wrong side row: Charcoal grey,** * Slip the purl sts purl wise with yo, knit the knit sts together with the yo, repeat from *. Turn.
- Repeat these 4 rows.

Edge stitches (knot edge): The first sts in all rows is slipped with the yarn behind the work and the last sts is knitted.

Raglan decreases:

1 fisherman's rib-purl sts = 1 purl stitch, slipped purl wise with yo

1 fisherman's rib-knit sts = 1 knit sts with yo from the previous row = 2 loops on the needle, counts as 1 sts.

Fisherman's rib decrease towards the left: 2 sts dec: slip the next fisherman's rib-knit sts knit wise, knit the following fisherman's rib-purl sts + fisherman's rib-knit sts together and pull the slipped fisherman's rib-knit sts over.

Fisherman's rib decrease towards the right: 2 sts dec: Knit the next fisherman's rib-knit sts + fisherman's rib-purl sts together, move the new sts to the left needle and pull the following fisherman's rib-knit sts over, move the sts back to the right needle.

2 sts inc: In a fisherman's rib-knit sts knit 1 + 1 yo + knit 1. From the following r the yo is knitted in fisherman's rib.

Back and front piece.

Are knitted together on circular needles up to the armholes. Cast on 138(146)150(158)162(166) sts with light blue in needles US 6/UK 8 and knit 4 rnds around in stockinette (= knit all sts). Change to circular needles US 8/UK 6 and continue in uni-colored fisherman's rib with light blue, while putting a marker at the beginning of the rnd. Knit 12 rnds (count 7 knit sts in the height) and then continue around in two-colored fisherman's rib as described above. Work straight until the work measures 42(43)44(45)46(47) cm and split it by the beginning of the rnd and after 69(73)75(79)81(83) sts for back and front.

Back.

69(73)75(79)81(83) sts. Continue back and forth on circular needles in two-colored fisherman's rib, while fastening off 3 sts in both sides for armhole = 63(67)69(73)75(77) sts. From here knit the outermost sts in both sides as edge sts. Knit the 2 right side rows and the 2 wrong side rows as described. The begin the raglan decreases in both sides in the following "**1. right side row with light blue**": 1 edge sts, 1 fisherman's rib-purl sts, in the next fisherman's rib-knit sts increase 2 sts (see above), 1 fisherman's rib-purl sts, 1 fisherman's rib dec towards the left (see above), 1 fisherman's rib-purl sts, 1 fisherman's rib dec towards the right (see above), continue in fisherman's rib until the last 11 sts, 1 fisherman's rib dec towards the left, 1 fisherman's rib-purl sts, 1 fisherman's rib dec towards the right, 1 fisherman's rib-purl sts, in the next fisherman's rib-knit sts increase 2 sts, 1 fisherman's rib-purl sts and end with 1 edge sts. On the wrong side and the right-side rows where you dont knit decreases, knit all sts between the edge sts in fisherman's rib. Repeat the raglan decreases on

every 8th row (meaning every other time, you knit "1. Right side row with light blue"), until you have knitted 9(9)9(10)10(10) decreases in each side = 27(31)33(33)35(37) sts left. Knit 3 rows straight up after the last decrease, while fastening off the edge sts in both sides on the last r. Put the necklines 25(29)31(31)33(35) sts on a stitch holder.

Front.

Is knitted like the back, but with a deeper neckline: when you have knitted 7(7)7(8)8(8) raglan decreases in each side = 35(39)41(41)43(45) sts left, knit another 3 rows straight up after the last decrease, while fastening off the edge sts on the last row = 33(37)39(39)41(43) sts. Put the necklines sts on a stitch holder.

Left sleeve.

Cast on 61(61)61(65)65(65) sts with light blue in needles US 6/UK 8 and knit 4 r stockinette. The outermost sts on each side is knitted as an edge sts. Change to needles US 8/UK 6 and continue in uni-colored fisherman's rib back and forth in light blue. When you have knitted 14 r in fisherman's rib, continue in two-colored fisherman's rib on circular needles back and forth as described above. Fasten off 4 sts in both sides for arm holes and then knit raglan decreases in both sides, starting on the following "1. Right side row with light blue". Knit the decreases as described on the back, so in the right side knit

9(9)9(10)10(10) decreases (like on the back) and in the left side knit 7(7)7(8)8(8) decreases (like on the front). When the 7(7)7(8)8(8) decreases in the left side are finished, fasten off from the left side on every other row another 6 sts, 2 sts and 2 x 1 sts. When the 9(9)9(10)10(10) decreases in the right side are finished, fasten off the edge sts in

both sides and put the remaining 9 sts on a stitch holder.

Right sleeve.

Is knitted like the left, but mirrored, meaning 7(7)7(8)8(8) raglandecreases in the right side like on the front (+ fastening off sts afterwards) and 9(9)9(10)10(10) raglandecreases in the left side like on the back.

Montering.

Sew the raglan hems together in mattress stitches, so the edge sts are hidden. Sew the sleeve and side hems.

Neckband.

With circular needles US 6/UK 8 and light blue knit a total of 98(100)102(104)106(108) sts up around the neckline. Knit around in fisherman's rib. When you have knitted 14 rnds continue in stockinette. When you have knitted 4 rnds in stockinette, fasten off the sts suitably loose. Sew the armholes.
